COMMON DRASIR PURGATION

Scours out the system by the most improper and

violent mems, and then leave it, weak low feetin

Sometimes the consequences of this old Purgative

other horrible disorders are produced, simply from

the want of some enlivening and preserving power

in the medicine employed. Sometimes the diges-

tive organs are deeply and permainently injured by this coarse and unphilosophical practice, leaving the patient AN INVALID FOR LIFE.

The alarming evils and absurdities of the old system

of Purgation, have led to the introduction of a new Life-giving Medicine, called CORNARO'S PURI.
